

Greater Houston Coin Club monthly meeting has moved

Beginning in June 2010, the Greater Houston Coin Club monthly meetings are now held at the St. Luke's United Methodist Church at 3471 Westheimer between Edloe and Buffalo Speedway. This is in the River Oaks/Upper Kirby District area of town, just west of the Montrose. Traveling to St. Luke's, the most accessible freeway exits, are the Edloe and Buffalo Speedway exits off the Southwest Fwy., Highway 59. St. Luke's is roughly 3/4ths of a mile north of these exits.

These new meetings will begin and end earlier than the meetings we've had at the Fair Haven Church, with gaveling the start of the meeting at 6:30pm and getting out of the room by 9:30pm. The room will be open at 6:00pm.

The church parking lot is south of Westheimer, behind the sanctuary, and is preferably accessible from Edloe, on the southwest end of the campus.

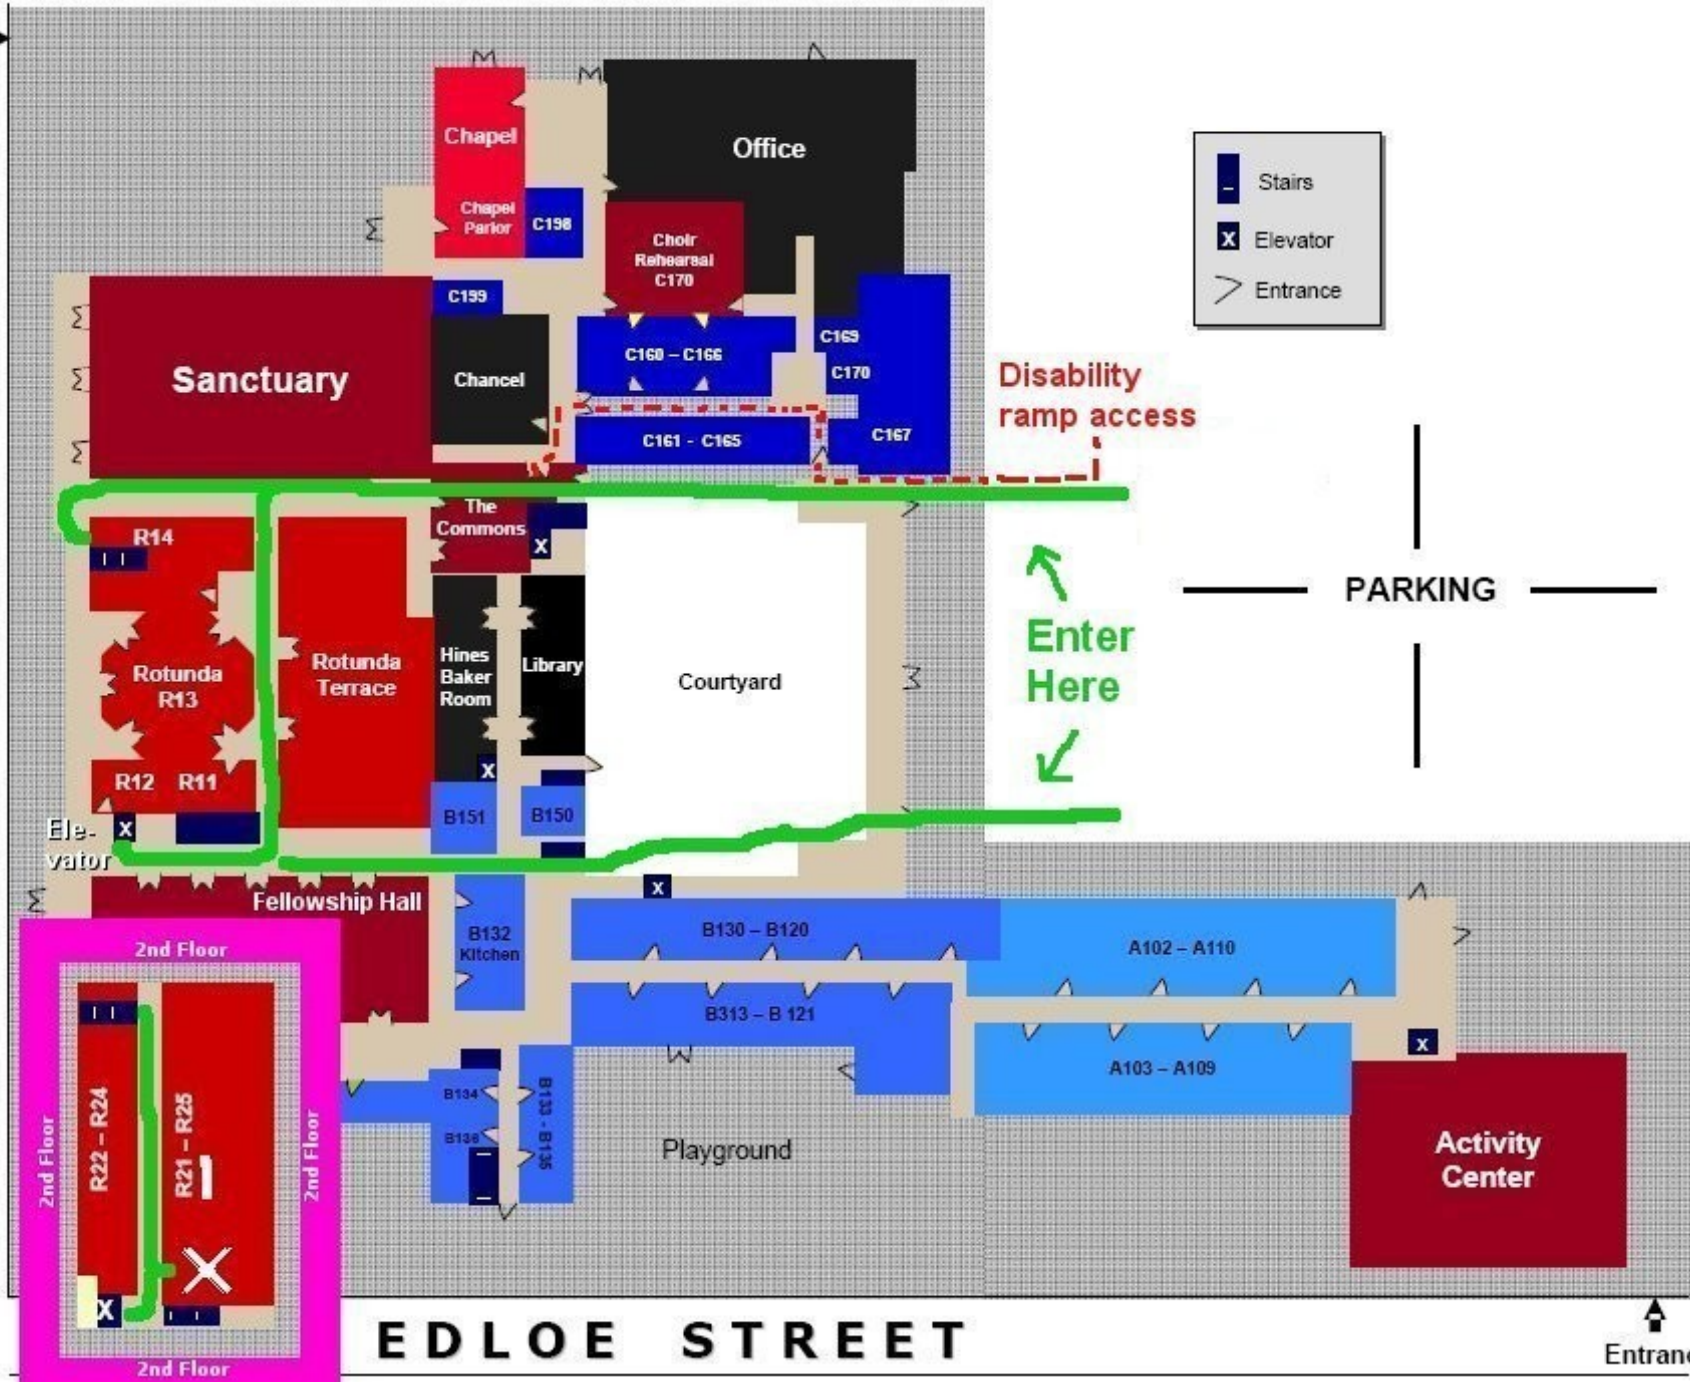

The meeting room location is R21 which is on the second floor towards the front of the building. Check the map below for entrance directions in GREEN and RED. Basically, park in the lot on the south end of the campus and walk north to the courtyard, entering at either archway, then keep going north, straight into the building and keep following ahead north towards the front (north side) of the building to go up the stairs to the second floor. For those who need to use the elevator, it is labeled with a small WHITE "X" at the end of the westernmost hallway towards the front of the building. The disability access ramp is just beyond the eastern arch entrance denoted by RED dotted line path. The map below shows a bordered insert of the second floor layout, with the R21 meeting room marked by a large WHITE "X".
